

ASBESTOS SAFETY FOR MINOR WORKS

EFO provides Asbestos Safety for minor works. Required by Electrical Workers and Tradespeople working around asbestos.

Whether they are aware of it or not, tradespeople. (particularly electricians, plumbers. air con technicians. carpenters. tilers and roofers). Come into contact with materials containing asbestos (ACM's) daily. Whilst not technically removing asbestos. Tradespeople may be required to cut, drill or penetrate ACM's to run pipes. cables or install circuit breakers etc. EFO supplies Asbestos protection PPE & Containment Kits. Asbestos face masks and also approved Asbestos H class vacuum cleaners.

HONEYWELL FULL FACE RESPIRATOR KIT P3

SKU: RHSP-7600P3

The Honeywell 7600 Asbestos Silica Full Face Respirator Mask Kit is the quality choice for workers requiring protection when working around asbestos contaminated material, silica, dust and particulates (smoke). The kit comes complete with the 7600 series full face mask and P3 rated pancake filters plus 6 mask cleaning wipes. Pancake filters are flexible and lightweight and coupled with the 7600 mask; allow for longer wear times. Complete with a plastic lunchbox style, the container provides great storage for the mask, filters and wipes to keep them clean and to stop the filters being clogged up with dust when not in use.

HONEYWELL HALF MASK RESPIRATOR KIT

SKU: RHSP-7700P2

The 7700 Series Honeywell Half Mask Respirator is the most comfortable and durable half mask available. Its soft non allergenic silicone seal provides excellent protection, comfort and fit. The half mask cradle suspension system allows the face piece to seal evenly on the face without creating pressure points. Its low profile gives workers a wide field of vision. Featuring low inhalation and exhalation resistance the 7700 Series makes breathing easier to reduce worker fatigue. This Kit Contains the half face silicone mask, along with P3 filter sets for applications where users are working around asbestos or Silica contamination, or suspect traces in the working area.
