#### **DECO 7500V INSULATED GLOVES**

**SKU:** D17000-1

Deco 7500V Insulated Gloves provide effective individual protection for anyone required to work on live voltages or perform operations on or in proximity to electric installations. Each 7500V Class 1 Insulated glove is tested to IEC60903. International Standards to ensure maximum efficiency and safety. While other companies manufacture their dual colour gloves with a 50/50 layer. We produce an extremely thin outer layer. The slightest kink or cut in our gloves will expose the inside layer of latex, from a safety first aspect this is a huge plus.
